RE: OOS Transfer for Prisoner Condon

Dear Mr. McCaffery:

Prisoner John Condon, MDOC # 2425 Has been committed to the Department of Corrections since, 1982 serving a Life sentence for the Crime of Murder and has been housed for the majority of his time within the Federal system.

Due to financial budget constraints, it was determined to have Mr. Condon returned to the state of Maine on 4/20/2012, with the agreement that if it did not work out, other placement would be sought.

While serving time in the Federal system it was reported he murdered another prisoner, however he was never convicted of the crime and we have no details to the claim.

Mr. Condon has expressed himself he would like out of the State of Maine and he is currently in Segregation due to confidential information that he has threatened a staff member.

It is requested, upon original agreement, an out of state transfer be explored.

Sincerely,

A handwritten signature in cursive script that reads 'Rodney Bouffard'.
